

# Build a Bluebird Box

**SATURDAY, MARCH 19TH**  
**NATURE CENTER AUDITORIUM**  
**9AM**

Stop by the Nature Center Auditorium on Saturday, March 19th and build a bluebird box. During the workshop you will learn about:

- \* Eastern Bluebird biology,
- \* kit styles and how they work for this “cavity nester”,
- \* placement & maintenance tips for the bluebird box,
- \* how to establish a bluebird trail,
- \* predators of the Eastern Bluebird,
- \* and what you can do to help the bluebirds during the winter.

Kits are \$10. Make your bluebird box during the program or take it home to build later.
